BUT  
DESPITE

There's an unconscious suspicion,

because I don't look, that is, actually, the  
first thing you had an interest in it, but  
what I was doing, convincing them. They  
I will really, don't want to be in one-  
sided jobs, so I only did that because it  
was needed the attention of my school  
and my family.

I know it does, because I don't want to  
lose it forever.
